## ABOUT ME

Graduate in Animation at U-tad, specializing in 2D. My passion lies in creating and animating characters and ideas, always working hard to continue learning and growing as an artist in the industry. I'm always eager to be part of major projects that connect with audiences. Currently living in Madrid.

## EDUCATION

- **Bachelor's Degree in 2D Animation, U-tad, Madrid**

2021-2025

This degree covered a wide range of 2D and 3D software such as Photoshop, Maya, Premiere, Toon Boom Harmony, and Blender. I also received training in the animation pipeline and production processes.

- **Master's in Digital Drawing and 2D Animation, Animum School of Digital Art, Málaga**

2020-2021

I acquired extensive knowledge in drawing and illustration, along with an introduction to software tools (Photoshop and Toon Boom Harmony) and traditional 2D animation.
